

Audio/ Video Installation Technician

Are you looking for a fast pace environment where you can use your expertise in Audio, Video and Theatrical Lighting installation?

All Pro Sound:

All Pro Sound has become a national leader in designing and installing audio, video, and lighting systems for churches, performing arts centers, sporting and entertainment venues, and educational facilities. Since 1980, All Pro Sound has been headquartered in beautiful Pensacola, Florida, home to great weather and some of the best beaches in the country. Our amazing team has provided systems in countless prominent venues, including the New Orleans Superdome, Jordan-Hare Stadium at Auburn University, Alumni Stadium at Boston College, The Palladium at The Center for the Performing Arts in Carmel, Indiana, Von Braun Performing Arts Center, and churches of all shapes and sizes. Even with almost 100 employees, All Pro Sound prides itself on maintaining a real family-like atmosphere.

Join our team of talented install technicians. We are an industry leader in cutting edge Audio, Video and Theatrical Lighting projects. We specialize in production of design build projects. From tiny board rooms to grandiose stadiums, we have designed and installed systems of all shapes and sizes.
